ICANCLCON 2019

6th NATIONAL CONFERENCE of ICANCL (IAP)
Indian Child Abuse, Neglect & Child Labour (ICANCL) group

GUWAHATI 4-5-6th JAN 2019

THEME

**“Working together for Child
Protection and Development”**

This will streamline supportive care and rehabilitation by development of crisis management centres. Understanding the uniqueness of the problem and the loop holes that are existing in the services and the lifelong impact of violation of child rights, we have decided to work on a convergence meet with paediatricians and grass-root workers to address these issues in a holistic pattern.

Assam is known for its lush greenery, sprawling tea gardens, wild life sanctuaries, the magnificent Kamakhya temple and the mighty river Brahmaputra. We invite you to come and take a bit of Assam back with you.

Kind regards,

Dr. Rajeev Seth
Chair ICANCL Group
